**This is an important update for Stevie® Award winners in the 2024 Asia-Pacific Stevie Awards. Please read through it carefully.**

### WINNERS NOTIFICATION

On Tuesday we sent your nomination's main point of contact an email about the awards won by your organization in the 2024 Asia-Pacific Stevie Awards. If you did not receive that email, you can see your Results after logging into your account on the awards website at <http://asia.stevieawards.com>. Much of the other information in that email is summarized below.

Today we listed the Stevie winners on the website at <http://asia.stevieawards.com>. Later this week we will announce the winners via **PR Newswire Asia**, the official news release distribution partner of the 2024 awards, and will be issuing country-specific releases to national media throughout the region beginning next week. Our media partner adobo magazine will also announce the winners.

### CORRECTING ERRORS IN WEBSITE LISTINGS

It is a natural part of the winner-announcement process that once the lists of Stevie winners are published, errors are discovered: misspellings, incorrect cities, etc. If you find such errors in your listing(s), email [amanda@stevieawards.com](mailto:amanda@stevieawards.com) directly and we will correct them.

### HOW STEVIE WINNERS WERE CHOSEN

In our system of judging, all entries that receive an average score of at least 7.75 out of 10 in judging become Stevie winners, regardless of category. The number of winners in a category is a general reflection of the number of entries in a category. This year more than 1,000 nominations were reviewed. We do not publish the number of entries per category.

Winners were determined by the average scores of more than 100 professionals over two months of judging in February-March. [See the lists of 2024 judges.](#)

If there is more than one Gold Stevie winner in your category, that means there was a tie for the Gold.

### THE 24 MAY AWARDS BANQUET

We hope all winning organizations will be represented at the Friday, 24 May event in Manila, the Philippines. See the [Tickets page](#) of the website for details. That evening the awards will be presented in the order in which tickets are purchased, so the earlier you purchase your organization's tickets, the earlier in the evening your awards will be presented.

### HOW TO ORDER EXTRA AWARDS

Silver and Bronze Stevie winners have the *option* to purchase Silver or Bronze Stevie Award trophies, and Gold Stevie winner have the option to purchase *additional* Gold trophies. These may be ordered in the [Stevie Awards Store](#) at any time.

However, if your organization would like to order these awards to have them presented to you on

stage in Manila on 24 May, you must order them by 28 April, [following the instructions on this document to the letter.](#)

#### **PEOPLE'S CHOICE VOTING NOW OPEN**

If you have any entries in any of the B categories (B01a through B12c), your nomination has been included in the public vote for the [People's Choice Stevie Awards for Favorite Companies](#), and thus has the opportunity to win a second award. Voting will remain open through 30 April. We will send a separate email to your entries' main point of contact about this today.

This email is a service from Asia-Pacific Stevie Awards.

Contact us if you have any questions about any of these issues. We will have many more updates for you over the coming weeks.
